

PHY-765 SS18: Gravitational Lensing. Worksheet Week 15

1 Present Outreach Project

Two weeks ago you started preparing some type of outreach aimed at presenting an aspect of gravitational lensing to the public.

Present this on class as if we were all part of the public, and you were at an event.

2 Prepare for the exam

For those of you taking the exam of module PHY-765 in this course, start preparing. The details of the exam format and what is expected from the presentation and questioning is summarized in the "[Exam Info and Format](#)" document on the website.
